The EU-type examination certificate refers to the above-mentioned product. This is to certify that the product complies with the essential requirements of Annex I of the Directive 2014/32/EU. This certificate does not imply assessment of the series-production of the product and does not permit the use of a TÜV Rheinland mark of conformity. The certificate holder is entitled to use this certificate in connection with the declaration of conformity in accordance with Annex XIII of the Directive. This certificate shall only be used in conjunction with one of the conformity assessment procedures referred to in Article 17 of the Directive. The certificate is valid up to the date of validity provided that the measuring instrument remains unchanged during the period of validity.
